## Instant Pipeline Foundation Technology

*The Instant Pipeline Foundation System is the fast, economical and permanent solution.*

*The benefits over traditional pre-cast concrete supports are:-*

- *Dramatic cost savings are achievable.*
- *Installation completed in minutes not days.*
- *A more stable base is achieved by founding in stable soil strata at depth.*
- *Earthquake proof.*
- *No concrete problems eg:-  
Delivery of batched concrete in remote locations  
No concrete spalling & corrosion  
No ongoing maintenance*
